Discours . !

Travaillez bien - dessinez - faites
de esquisses - soyez précis - et ayez
confiance en vous - ne soyez pas découragé
parce que votre professeur est au voyage -
c'est excellent pour vous pour prendre
conscience de vos erreurs -
Apprenez à compter sur vous même
vous avez avec vous Madame Bauquier
qui peut vous diriger admirablement
si cela doit être nécessaire - j'ai
toute confiance en elle. Faites comme
moi et a bientôt - dans 10 jours
ou 12 jours.
